Sir:

Applicant respectfully requests that the 8 documents, which are listed in  
the attached PTO-1449 form, be "made of record" in the above-identified patent  
application. Copies of these documents are enclosed.

A translation of the German language document is not readily available.  
However, an English language abstract of the German language document is enclosed.

Also the enclosed two Search Reports indicates the category, such as X, Y or A. Therefore, no other explanation is necessary for the German language document to be "made of record".

Respectfully submitted,

A large, stylized handwritten signature in black ink, which appears to read "Ronald B. Hildreth". The signature is written over a horizontal line.
